

The Humboldt Woodworking Society is a group of professional, amateur, and hobbyist woodworkers. We meet monthly to share ideas and techniques, participate in the College of the Redwoods Wood Fair each year and have a good time talking shop and helping one another grow in our craft. Annual dues are \$25.00.

August 2007 Newsletter

Our next meeting is:

Annual Barbecue and Pot-luck at the home of Sue and Dave Ashford
Saturday, August 25th 2:00pm
703 Redmond Rd., Eureka 442-9479

The paper products and meat will be provided by the Society. If you come, please bring your own drinks of choice and a pot-luck dish to share. Dave and Sue will have an ice chest with ice if you need it.

NOTE: The date and the time have been changed, so please make a note of this!

DIRECTIONS: Redmond Rd is located off of Myrtle Ave about 1 mile south of Indianola Cutoff (that connects Myrtle Ave and Old Arcata Rd with Highway 101 halfway between Arcata and Eureka). Turn east on Redmond Rd from Myrtle Ave and go about ½ mile. You will see 3 cinderblocks on the left side of the road with the house number 703. Turn left and go up the long driveway to the top of the hill to the house. There will be a sign at the road for the Woodworkers Society.

July Meeting – College of the Redwoods Wood Fair at Redwood Acres

Society members set up our booth Friday morning, July 13th. The Fair officially opened with ceremonies at noon on Friday and continued until 4 pm on Sunday July 15th. The booth was well populated with items for sale and items for display. Demonstrations occupied one side of our booth for the entire fair.

Gary Richmond set up his demonstration of train building, had some of his trains on display and provided plans available for purchase. Wayne Marko demonstrated wood carving of duck decoys. Susan Bicknell was assisted by Michael Masumoto and Kai Herd in demonstrating marquetry techniques. Members of the Society who had their own booths included Bert Hafar and Dave Kelley. CoFounding member, Paul Kinsey, helped run the College of the Redwoods Construction Technology booth where projects were displayed that had been produced by students (some of whom are members of the Society). In the Juried Gallery Exhibition, our member Gary Richmond took Third Place for Small Projects for his train Gypsy.

Gary Richmond, Dave Ashford and Wayne Marks at our booth. Bert Hafar in his booth.

Dave Kelley at his booth.

Paul Kinsey at the College of the Redwoods booth.

Gary Richmond and Gypsy, Third Place in Small Projects.

Michael Masumoto demonstrates double bevel marquetry.

Eleven wood enthusiasts joined our Society during the Wood Fair and one in August. Welcome to our new members:
