The Blueprint

Welcome to Humboldt Woodworking Society

The Humboldt Woodworking Society is a group of professional, amateur, and hobbyist woodworkers. We meet monthly to share ideas and techniques, participate in the CR Wood Fair each year and have a good time talking shop and helping one another grow in their craft. Annual dues are \$25.00.

July, 2007 newsletter

Next meeting will be the Wood Fair

There will be no regular meeting for the month of July. In its place is the CR Wood Fair at Redwood Acres Fairgrounds in Eureka from July 13 thru July 15, 2007. We will be setting up the booth at 8:00am on Friday, July 13th. Everything must be in and set by 10:00am. If you have paid your membership dues, you can bring what you would like to sell or show in the booth during this time. Remember to have prices on the items you want to sell and tags stating "Not for Sale" on things you just want to show. It would be nice to have projects from many different members to show the diverse types of work we do. Items must be picked up at 4:00pm sharp on Sunday the 15th. REMEMBER: If you bring items to sell or show you MUST put in time manning the booth. Contact Dave Ashford at 442-9479 or Dave Kelley at 839-0309.

Dave Kelley and Bert Hafar will each have a booth this year and will be selling their woodworking items. Gary Richmond will have a demonstration set up at the society's location and will have trains on display and the plans available for purchase. Wayne Marko will be demonstrating wood carving during the fair. If you would like to do a demonstration, please contact Dave Ashford immediately at 442-9479.
